Please Help

JERDONE ISLANDER

“Many hands make light work” is especially true on the island. Our neighbors generously help one another and the neighborhood.

Today, we find ourselves needing to actually ask for your help. Several of our long time grounds maintenance volunteers are not able assist this season. We are looking for 2-3 volunteers willing to cut grass at the common area and/or main entrance in our neighborhood. This is a weekly need and using volunteers keeps our maintenance costs low - which in turn keeps our dues low.

If you can help at all (full or part-time) email theboard@jerdoneisland.org.

Also, we hope to see our neighbors at the community gathering on May 15 from 1-4. If you need a reminder of the details, email mkquamme72@gmail.com.
