Fall 2021

JERDONE ISLANDER

Annual Membership Meeting

Saturday, October 9, 2021, 9:00 AM

Gazebo at Common Area

We will still observe current CDC guidelines for social distancing and mask wear. Bring a chair and we can sit around the gazebo as well as inside. We hope to see you there. If you cannot make it, please send your proxy with a neighbor.

Seasonal

It is finally Fall and as we watch the change in seasons, enjoy the cooler temperatures and leaves falling from the trees we are thankful for everyone who is volunteering to clear the roads and right-of-way while working on their own lots in our neighborhood. Please be sure to do your part too.

It is apparent that the deer population around our community is too high. We have received guidance from the local game warden on the outbreak of chronic wasting and disease in neighboring counties. The advice is to cull the deer population on Jerdone Island. In order to assist with deer control we have arranged for a select few, pre-qualified and experienced bow hunters to hunt deer during bow season only. These individuals have certified their experience and willingness to help us with this project. Floyd

Minnick will be organizing the efforts.

Hunters will take some of the deer to *Hunters for the Hungry Connection* whose mission is to provide lean, high protein red meat to foodbanks and other feeding programs.

Between October 2 and November 12 from dusk to dawn, you may notice one of these hunters in our neighborhood. They will be able to provide identification and evidence that they have been approved to hunt. They have obtained permission from a few private property owners for access to their property. Hunters will not be on any private property without the owner's permission.

Chili Cook Off

This years chili cook-off was a great success. The winner of the contest is from the Pastalow family and runners up were Ally Campbell and Michelle Quamme. All eight entries were unique - some spicy hot, another with a hint of cinnamon and one shredded chicken variety. A huge thank you to Allan Perry for coordination and execution.
