

# *The Jerdone Islander*

February 2023

Official Publication of Jerdone Island Association, Inc. in Louisa County Virginia.  
Visit [JerdoneIsland.org](http://JerdoneIsland.org) for more information.

## **Annual Assessments**

Annual Assessments have been raised for 2023 to \$250. This increase is due to an increase in insurance costs and an addition to the reserves which led to a lower than expected carryover into 2024.

Annual Assessment letters will be mailed out at the end of February. Note that payments are due no later than April 1, 2023.

---

## **New 2023 Boater Regulations**

**Move Over Regulation:** When approaching or passing within 200 feet of any law enforcement vessel or emergency services vessel that is displaying flashing blue or red lights, a boat shall slow to “no wake” so that the effect of the wake does not disturb the activities of law enforcement or emergency services.

**Clean, Drain, Dry:** Requires that boat operators clean any aquatic organism or vegetation from the vessel’s trailer and equipment before departing the boating area. Boaters should also take reasonable measures to dry bilge tanks and ballast tanks before departing a body of water.

**Fire Extinguishers:** Boats, model year 2018 or newer, must carry 5B, 10B or 20B weight rated fire extinguishers. Fire extinguishers on any vessel must not be expired. An extinguisher that is 12 years older than the date it was manufactured is considered expired.

Go to the Lake Anna Civic Association website at [lakeannavirginia.org](http://lakeannavirginia.org) for other valuable lake information.

---

## **JerdoneIsland.org**

The website is undergoing some maintenance to add more useful information, clean up links, and document the “how-to” of it all. Check in periodically to see what is new and if you have suggestions for information that might be useful let Andrew Oman know or email him at [theboard@jerdoneisland.org](mailto:theboard@jerdoneisland.org).

Thank you Andrew for your volunteer time!

**New life rings have been installed at the docks. Some community members voiced concerns over the health of the old rings and action was taken.**

**The leaves have been raked out of the lake at the beach area. Additional sand is coming soon. Thank you Tom Dezorzi for volunteering your time!**

**If you are interested in helping with maintenance of the common area, please let Tom know or email [maint@jerdoneisland.org](mailto:maint@jerdoneisland.org).**
