

# *The Jerdone Islander*

March 2023

Official Publication of Jerdone Island Association, Inc. in Louisa County Virginia.  
Visit [JerdoneIsland.org](http://JerdoneIsland.org) for more information.

## Community Picnic - Save the date!

The board will be hosting a picnic on June 17, serving from 12:00 pm - 4:00 pm. We hope that you'll plan to join us for food and fun. We are also planning horseshoe and corn hole tournaments. While we will begin cleanup at 4:00 pm feel free to continue into the evening. Stay tuned, more info to follow.

---

**Annual Assessments are due no later than April 1. If you have not already paid your assessment, you may be subject to a late fee.**

---

## Maintenance News

Electrical work has begun in the common area. Lighting has been added to the gazebo along with electrical outlets. Once complete, the electricity will be available for all Board sponsored events.

We will be working to replace boards between slips where necessary in the next few weeks..

A concern was raised regarding the drop off at the end of the ramp. The dock alongside the ramp has been marked to show where the ramp ends. A potential fix to the drop off will be discussed at the next board meeting.

Mowing is expected to begin again in April. The area at the Jerdone Island sign and the common area will be mowed along with grassy areas along some of the roadways within the subdivision.

If you would like to volunteer to help with community maintenance or if you have questions or concerns contact [maint@jerdoneisland.org](mailto:maint@jerdoneisland.org).

## Community Well

Properties in sections A and B are connected to a community well owned and operated by [SES Mid-Atlantic](#). This company is not affiliated with Jerdone Island Association, Inc. and the Association has no control over the operation of the well.

For those of you who are connected to this well, a status was provided on March 29, 2023.

From SESMA:

“We submitted the first of the grant applications to get the testing and finishing of the new well completed last Friday. This will cover the cost of well being finished and chemical and drawdown testing and the engineered plans to bring it online. The physical connection will be part of the construction grant that has to be submitted by May 5<sup>th</sup>, which we will submit by then. We are committed to getting the system back to full operation without issues. Please feel free reach out with any other concerns.

Makenzie Lynn  
703-570-6960”

## Lake Anna State Park

Have you been to the park? Lake Anna State Park offers a variety of activities including hiking trails, fishing, and swimming. The park is open from dawn to dusk daily. Find more information at <https://www.dcr.virginia.gov/state-parks/lake-anna>.

## Area Golf

Did you ever wonder where the Jerdone Island names of Turf Drive, Eagle Lane, and Bogey Lane came from? The area was originally planned to be a golf course. The drawing below was part of the original design.

### Cutalong at Lake Anna

Although Jerdone Island Golf never came to fruition, we do have an operating golf course across from the Mineral Food Lion.

After many failed attempts, the latest owners of Cutalong have made great progress and the golf course is now up and running.

Now open for play, Cutalong Golf Club consists of a private 18-hole championship golf course. In addition to the course, there is a practice range featuring 5 putttable zoysia greens, short-game area, and 5,000 sq ft bent grass putting green.

# UPCOMING EVENTS
