It's a busy month!

- The roundabout is due to be driveable by Memorial Day. Good luck to all of us. ;-)
- Firefly is finally planning the installs for our area, hopefully all of the road work will end soon.
- Thanks to Allan Perry and family for hauling off the fallen pine tree from the common area.
- Get out there and enjoy the warm weather!

### Reminder – Chris McCotter Walk & Talk

The Cuckoo district supervisor, Chris McCotter, is meeting his constituents and hearing their concerns by doing Walk & Talk meetings in the communities on Sundays weather permitting. He plans to walk the Jerdone Island subdivision on Sunday May 12 starting between 8:00 and 8:15 am. Consider sharing some of the walk with him to discuss the matters that you think need attention in Louisa County.

Firefly will be having a ZOOM town hall to answer questions about upcoming fiber install for REC customers living in the Buckner (Frederick's Hall & Plum Tree) service zones.

Thanks to Tom and Dennis for recycling some of the wood from the old docks. They built, painted, and placed the benches in the common area and Dennis donated some fishing pole holders as well!
