The board will be hosting a picnic on June 29, serving from approximately Noon - 4:00 pm. We hope that you'll plan to join us for food and fun. Stay tuned, more info to follow via email.

## Boating Safety and Security

As the weather warms up and more boats return to the docks for the summer, now is a good time to refresh yourself on dock lines and how to properly secure your boat to prevent damage to your boat and to the docks!

You may also want to review the current regulations and safety requirements for Virginia waterways. The Department of Water Resources has very good information that everyone operating a boat on the lake should know.

## Mowing has Started

Mowing will generally be twice per month through the season. Mowing will take place along roadways and in the common areas. If you prefer to not have mowing along your property done by Baskfield Mowing, please let us or Baskfield know.

As always, please be courteous to contractors and volunteers doing work for Jerdone Island.

### Wares Crossroads Roundabout

While the roundabout construction is not complete the circle is now active. Pay attention to signage, painted lines, and construction cones.
